Skills

-Effective Communication -Problem-solving -Time Management -Attention to detail
-Teamwork -Organization Skills -Confidentiality -Active listening

Technical Skills and Programming Languages

-Microsoft Office 365 (Advanced) -CRM Software (Proficient) -SQL (Proficient) -Python (Intermediate)
-Salesforce (Proficient) -Javascript (Beginner)

Summary

Eager and motivated Computer Science student seeking an internship opportunity to apply theoretical knowledge in a practical setting. Proficient in programming languages such as Python, Java, and C++, with a solid understanding of data structures, algorithms, and software development methodologies. Strong problem-solving skills, coupled with a passion for continuous learning and staying updated with emerging technologies. Excellent communication and teamwork abilities, honed through collaborative projects and coursework. Excited to contribute positively to a dynamic team and gain valuable real-world experience in the field of computer science.

Professional Experience

Headstarter - Software Engineer Internship / Remote - July 2024 - Present

- Conducted code reviews and debugging, ensuring high-quality and maintainable code for all projects.
- Collaborated with a team of developers to integrate API functionalities, resulting in a 15% increase in operational efficiency.

Achievements:

- Final project that takes a startup's current backlog and builds it meeting business requirements
- Developed and launched a dynamic website using HTML, CSS, and JavaScript, enhancing user experience and improving site engagement by 20%

Data entry internship - Ninja client lead systems / Remote - August 2023 - June 2024

- Developed and designed websites for various clients, tailoring each site to their specific needs and industry requirements.
- Implemented and customized a lead generation system using Go High-Level software, enhancing client outreach and improving conversion rates.

Achievements:

- Integrated CRM tools and automated workflows to streamline client follow-up and nurture campaigns
- Offered continuous support and optimization for websites and marketing strategies to ensure sustained growth and success.
